

## **H.27. VISWAM, V.V—Adhunik Kavya Pravrittiyom Ke Roopayan Mein Nirala Ka Yog—1985—Dr. A. Ramachandra Dev**

This makes a thorough study of Nirala's poetical works and arrives at the conclusion that Nirala, the prodigious genius, was the chief architect of modern Hindi poetry and he should be accredited with the title of 'The Creator of Nayi Hindi Kavita'. The analysis of the personality of the poet is enchanting to the core and based on irrefutable documentary proofs.
